Understanding Your Dog: Every Behavior Has a Purpose

Join Doug Duncan and Laura Perkins for an exciting discussion about why dogs do what they do – from friendly behavior, to perplexing habits, to aggression.

When dogs behave, they do so for a reason. Their behavior is purposeful and functional. Understanding the function of their behavior can help us in managing playgroups, solving problem behavior, and preventing bites.

Sunday, November 20th

2:00pm @ DoveLewis Emergency Animal Hospital (Community Room)

1945 NW Pettygrove St Portland, OR 97209

Please use street parking | Please leave animal friends at home

Free event for volunteers and professionals in the animal field

Donations help to cover program costs

[RSVP at animalcommunity.org](http://animalcommunity.org)
